

► Pestclear® Electronic Pest Repellers

PestClear 1000 Ultrasonic Pest-Away (Item # BRE-001)

This product covers a single open area up to 90 square meters (1000 ft.). It combines low price with high specification and the attention to quality you come to expect from a PestClear product. Use one in each infested room for best effect. We recommend using this product as a "booster" with PestClear 2000. Non-toxic.

This is a 2 pin EU plug version. Suitable for indoor use only

PestClear 2000 Ultrasonic Pest-Away (Item # BRE-002)

Settings for random or continuous pulsing through your walls and ceilings. New "silent" repelling signal for mosquitoes, and new streamlined design makes this the most popular product in Europe. Ultrasonic waves cover an area of up to 180 square meters (2000 ft.). Non-toxic.

This is a 2 pin EU plug version. Suitable for indoor use only.

PestClear Mosquito Away (Item # BRE-004)

Clips onto belt or pocket, and gives immediate protection to the wearer. Drives away the biting female mosquito with a choice of two effective sounds (one is barely audible to humans, the other is totally silent). Non-toxic.

Suitable for both indoor and outdoor use.
